EXPERIENCE

STUDENT TEACHING

Tarver Elementary
Thornton, CO
Oct 2017-Present

Creating and teaching standards based art lessons for Kindergarten through 5th grade students. Classes are focused on exploration of materials and problem solving. Completing all related teacher responsibilities as well as organizing student exhibition at local community care center.

Mountain Range High School
Westminster, CO
Aug 2017-Oct 2017

Developed and taught standards based lessons for Ceramics 1, Ceramics 2/3, Drawing and Painting 1, and Photo Studio 1. Assisted with, or completed, all teacher responsibilities as well as clay club and teacher meetings.

PRACTICUM EXPERIENCE

Polaris Expeditionary School
Fort Collins, CO
Aug 2016 – Dec 2016

Created and taught standards based art curriculum for a 2nd/3rd grade class. Through their art making, students explored concepts of place and how we connect to the world around us. Organized and managed student exhibition of work.

SERVICE LEARNING

Artistic Abilities
Fort Collins, CO
Jan 2016 – May 2016

Developed and taught art lessons for adults with varying cognitive and physical abilities. Classes were focused on art making through the exploration of materials and techniques.

RELATED EXPERIENCE

CONSTRUCTION MANAGER

Hensel Phelps
Jan 2009 – May 2015

Worked in various teams throughout the country to manage all phases of multi-million dollar construction projects for government and private sector clients. Collaborated with owners, designers, and subcontractors to resolve construction issues and complete projects on schedule. Mentored, partnered with, and led co-workers to foster an enriching, productive, and efficient work environment.

HALL DIRECTOR

Colorado School of Mines
Golden, CO
Aug 2007 – May 2008

Managed administrative and staff operations for a residence hall complex of 200 students. Selected, mentored, and led resident assistants to maintain a positive, learning-centered community for our students.

RESIDENT ASSISTANT

Colorado School of Mines
Golden, CO
Aug 2005 – May 2007

Fostered students' personal development while promoting an inclusive, safe, and academically conducive environment. Developed, collaborated on, and implemented educational and community based programs to help our students transition to college.
